FLORIDA SOUTHERN COLLEGE

LAKELAND, FLORIDA

Note on the Cover

A dream of Frank Lloyd Wright and the first in a series of fourteen buildings, Annie Pfeiffer Chapel graces our cover in a design by Bob Sowers.

The spirit of the future Florida Southern and a symbol of the progress our college will make is clearly noted in its unique structure.

Foreword

Rationing of photographers film, shortage of metal, scarcity of paper, lack of labor, and drafting of personnel—that's how it all started, the 1943 *Interlachen*. The war has taken its toll on many, and even found ways to hinder the production of our college year-book; therefore, it has become necessary to produce an annual of which we can be proud and still conserve in every way to contribute to our war effort.

Our solution to this problem was found in using old cuts in new arrangements, reducing the size of many cuts, whenever possible dispensing with their use entirely, and limiting page space for organizations to one page.

Therefore, in accordance with the limits war places upon us we have published the following for your pleasure in hopes that our efforts behind the lines, found throughout this book, will help to push our boys on the front lines ahead to Victory and Peace.

Dedication

This year's INTERLACHEN is dedicated to Dr. Eleanor Searle Whitney. Mrs. Cornelius Vanderbilt Whitney was a student in Florida Southern College and was later given an honorary degree by her Alma Mater. She is talented, charming, and cooperative. The students, faculty, trustees, and alumni are proud of her and join in dedicating this book to her.

MRS. CORNELIUS VANDERBILT WHITNEY

In Memory

DR. ROBERT L. CLINE

DR. ROBERT L. CLINE was for many years a loyal trustee and friend of Florida Southern College. His sons were students here.

Florida Southern College will miss him. May his kind be multiplied not only for Southern, but for our community, our state and our nation.

His Message

I want to express my appreciation to the entire staff of the Interlachen for their faithfulness and cooperation. They have had a difficult task. It has not been easy to publish an annual in a year like this.

All of us have been unsettled. Insecurity has surrounded all our plans and activities. It has been difficult to see our way. Many of the things we thought were permanent, dependable, have been swept away by the war. Our sons, brothers, and fathers have been torn from us. One by one we have seen our men students leave the campus. Many of our young women have been forced out of college for one reason or another. A large number of our faculty have gone into the service.

But we who are left have determined to endure to the end. We will keep "Old Southern" going.

Because some of our fellow students and faculty members have gone, we are under greater obligation to keep the fires of our Florida Southern burning until they come back home.

LLOYD M. SPIVEX, *President.*

Religion

The Florida School of Religion operates under charter of the State of Florida granted March 15, 1940, empowering it to "conduct a religious institution of learning, possessing all the powers incident to such institutions, including the right to prescribe proper courses of study and confer proper degrees upon completion thereof."

Dean of the school is Dr. Shirley Jackson Case, who is dean emeritus of the University of Chicago Divinity School, where he served for many years prior to his retirement and moved to Florida. The school publishes the quarterly magazine, "Religion in the Making," which is edited by Dr. Case.

Dr. Case, said to be the world's foremost New Testament scholar, is the author of many books and articles on religion. Dr. Charles T. Thrift, Jr., secretary of the faculty and professor of historical studies for the school, and Charles Warren Hawkins, professor of linguistic and educational studies, round out the faculty.

An annual project of the school is the "Minister's Week" in January, to which members of the Florida Methodist conference are invited.

The school is open without denominational discrimination to both men and women.

A Word of Explanation

The following pages have been selected in various ways according to the manner considered most effective by the staff—for your information:

Honor Walk was selected by the faculty as their choice for the most outstanding senior in every phase of college life.

Miss Southern was elected by popular vote of the student body as truly representative of Southern coeds.

The Hall of Fame was selected by a committee from the annual staff and the faculty on the following qualifications: Popularity among students, Personality, Offices Held in Activities, Esteem of Faculty.

Southern Beauties were selected by contest with Prof. Bernd-Cohen acting as judge.

Features

*In every group there must be leaders . . .
those who are willing to give time,
effort and persistence to the cause for which they stand . . .
On the following pages will be found
our selection for the "staff corps" among
students of Florida Southern College,
those who have excelled in
scholarship, beauty, activities and personality*

Honor Walk

ALTON KINDRED . . . began a career in his freshman year which he held throughout four years . . . most Versatile man from Southern in many years . . . Music master and composer . . . neat and orderly . . . conscientious leader, tactful, amiable . . . brilliant student, best all round . . . admired by instructors . . . popular among fellow students, usually called "Duck" . . . a distinguished honor walker toward a promising future.

HONOR WALK—ALTON KINDRED

MISS SOUTHERN BARBARA OLD

Miss Southern

Vivacity with a winning smile—politeness to the "ninth degree"—even as postmistress—politician whom opponents can't resist liking—versatility in writing—executive ability in serving her sorority sisters—peppy co-chairman of the "Victory for ESC and USA" drive—charmer of all who come her way—"personality plus"—winsome bit of dignity ascending the throne.

HALL OF

HELEN WOODWARD . . . executive manner . . . training to make the right kind of teacher . . . President of F.T.A. and Kappa Delta Pi . . . vivacious smile . . . energetic leadership as Prexy of Alpha Chi Omega.

BILL HOWARD . . . cheers from all for his instruction in physical education . . . the true athlete, setting an example for would-be champs . . . Kappa Theta Psi prexy . . . popular senior senator.

HELEN MYERS . . . calm decisions as W.S.G.A. council president . . . stately and striking . . . authority in matters of Home Economics . . . writer of latest women's fashions in the Southern . . . favorite of everyone.

F F A M E

HU CHING WEN . . . humor that's definitely different . . . often seen collecting dues from "Y" members . . . will long be remembered for the way she sings the Chinese national anthem . . . superb subject for the camera and the artist's canvas . . . athlete with a rousing spirit.

SIVER WILSON . . . quiet, dignified air as he carries on his duties of student body president . . . ready to help everyone . . . standby in the chemistry laboratory and in Kappa Theta Psi affairs . . . ambition personified, especially for a career in medicine . . . admired for his fairness.

JOE BERTA BULLOCK . . . typical activity woman . . . president of Vagabonds . . . member of Alpha Psi Omega . . . singer . . . writer . . . her biggest job, the putting out of the annual for two years . . . head cheer leader for her sorority.

Activities

Red Cross roll call touches nearly every student, rolling bandages, making garments and soliciting funds have been some of the avenues which the organizations of Southern College have traveled in our united war effort. Many have gone into Nurse's training, medical students are organized and concentrating their efforts on preparing themselves for further service.

War bonds, which in a round about way perhaps give aid to some Southern man or woman on the battle field, are purchased regularly by many organizations—and nearly every student in Southern College has had at least one course in First Aid, the first step for the Medical Corps of Civilian Defense.

Senate

The Senate is the student's governing body. Consisting of a representative from each social group and from the classes, the Senate regulates student affairs and acts as the official spokesman of the student body to the administration of the college.

Especially active this year partly because of the war situation, the Senate instituted a War Council to put the college on a war basis. In cooperation with the Dean, a program to eliminate "Cuts" and absences was started and courses pertaining to the war effort directly as well as the organization of fire wardens, etc. were sponsored by this organization. Other activities included the sponsorship and direction of Freshman rat week at which the sophomore class representatives act as judge, Founder's Week activities, chapel programs and a sincere effort was made to stop line-breaking in the cafeteria.

Men's Executive Council

The Men's Executive Council regulates all the men's affairs and this year took over the functions of the Inter-fraternity Council.

Composed of the president and senator of each fraternity and the senator of the Community students, the Council's activities included the inauguration of the first rush week, during which both the men's and women's groups participated in the quiet hour. Also by legislative action, all forms of inter-group hostility were abolished. Much of the work of this organization is done in conferences with the representatives of the various groups concerned and few joint meetings are held.

Alpha Psi Omega

Delta Nu chapter of Alpha Psi Omega, national honorary dramatic fraternity, received its charter at Southern in 1934. The purpose of this organization is not only to recognize dramatic ability on the stage but also to give credit to the faithful backstage crews.

January found Delta Nu Cast of Alpha Psi Omega producing Barrie's one-act play "The Old Lady Shows Her Medals" for the benefit of the U.S.O. in cooperation with the campus "War Council."

In February, after a thorough check on a definite point system earned from acting, or back stage work, Vagabonds of high standing received aspired bids to Alpha Psi Omega and early in March their formal initiation.

Kappa Omicron Phi

Membership in Kappa Omicron Phi, national home economic honorary society, is the goal of the students in the Home Economics Department. Founded at Maryville, Missouri, in 1920, Kappa Omicron Phi requires a "B" average and exceptional proficiency in Home Economics.

Since it is principally an honorary society, its activities usually include two annual affairs, a Founder's Day banquet on December 11, and a spring breakfast, held in honor of the new initiates. The motto of Rho Chapter of Kappa Omicron Phi is "Prove all things and hold fast to that which is true."

Spanish Club

Founded to encourage an interest in Spanish and to aid in the appreciation of Spanish culture and to further a cultural understanding between the Americas the Spanish Club has been especially active this year.

The club meets twice a month, alternating a business meeting and a program meeting. The programs have included talks on Spain, discussion groups on Spanish-American relations, Spanish music, and the general aim of the programs has been the better acquaintance with Spanish culture and thought. A Spanish corner was also sponsored by the club in the library, and the Spanish classroom was repainted and curtains made by the group.

Interlachen

To give credit where credit is due has been the underlying aim of this war-edition of the Interlachen. Therefore, the editor would like to take this opportunity to express her appreciation to the staff of loyal workers who have given valuable time and energy to the publishing of this annual.

Foremost among the student staff is Carlo Townsend, associate editor, who when the organization editor left school, capably assumed this endless task and deserves much credit for her work.

Another deserving immeasurable praise is our faculty advisor, Mr. Cody. With his camera, his knowledge of printing and engraving, the annual has been greatly enriched by his unceasing patience and cooperativeness with the entire personnel.

To others who have spent many hours looking for data, research in the library, compiling lists, class rolls, etc., seeking good angles to get good snapshots, and the tiring job of typing and proofing copy — many thanks, you all deserve orchids for a grand job well done.

The Southern

The Southern, student newspaper, this year became a member of the Associated Collegiate Press, changed to tabloid size and added the Collegiate Digest, national news-picture supplement.

War demands forced the editor to begin the year with only one person on the staff with newspaper experience, and an entire staff has had to be trained from students who had never before been interested in or done newspaper work. Draft and reserve calls have served to make constant staff changes necessary in all departments. Beginning the year with a depleted staff, the Print Shop lost three helpers during the year, making it almost impossible to print the paper during the last few months. However, a new linotype machine in the Print Shop helped to improve the typography of the paper.

As in previous years a special Christmas edition was sponsored, featuring the first full color edition in eight pages this year. Also a projected 20-page mail-away was halted in the final stages by paper and labor shortage for printing.

The Muse

Expression of the Freshman English classes, the Muse is sponsored by the Pierian Club, Freshman literary organization. One of the youngest on the campus, only three years old, it is one of the most active with the whole Freshman class eligible for membership.

Main activities this year have included the encouragement of interest in the expression of Freshman experiences and thought in prose and poetry through the medium of the Muse and also the encouragement of interest in English as a language. A bulletin board in the entrance of Edge Hall has been posted with articles, poetry and etymological clippings stimulating an interest and fostering a knowledge in our language and its historical development.

Future Teachers of America

The Future Teachers of America, a junior branch of the National Educational Association, came to Southern's campus in 1939 and has played an active part since in encouraging professional standards among the pre-educational students.

Meeting every month, programs are planned that will interest and help the teachers. Typical programs have included a skit on interviewing a prospective employer for a position, a debate on whether eighteen-year-old boys and girls should be allowed to vote, led by a member of the faculty. An address by Professor Brown on "Speech for Teachers," addresses by other members of the faculty on various subjects relating to the teaching profession, and an address by Dr. Florence Strattemeyer, associate professor of education at the Teachers College in Columbia University.

Young Women's Christian Association

With the goal of getting greater student participation in its varied activities this year, the Y.W.C.A. started the year with the sponsoring of Big-Sister, Little-Sister activities which included a pajama party and a picnic at Lake Morton.

Regular meetings are held every Thursday evening, alternating business, worship and social meetings. The group also regularly sponsors Vespers once a week. Other activities of the Y.W. include the annual Christmas party and the Easter Egg Hunt, held for the children at the Rose Keller Home. In cooperation with the Young Peoples' Fellowship group at the College Heights Church and Gamma Sigma Chi, ministerial fraternity, a picnic was held at the Men's Garden Club to discuss the coordination of religious activity on the campus. This group also sponsored the visit of Dr. James Workman to the campus. In the spring term the Y.W. invited a member of the Student Volunteer Movement to visit the campus.

Gamma Sigma Chi

Founded in 1934, Gamma Sigma Chi has long been an active organization for those students on the campus interested in the ministry. Ministerial students, five of whom were serving regular pastorates in the small surrounding churches, united to sponsor Vespers twice each week with the Y.W.C.A. In the spring term, meeting the officers of the Methodist Youth Fellowship and the Y.W.C.A. plans were made and carried out to make Vespers and the personal religious life of the students on the campus more effective. Meetings were also held throughout the year on Monday evening to coordinate and further the interests and activities of the group.

Vagabonds

On September 23, 1927, the first meeting of the Florida Southern Vagabonds was called to order by Miss Marguerite Wills, who has encouraged its growth and been its sponsor for 16 years, giving the Vagabonds the prestige of being the oldest living organization on the campus.

Membership in the Vagabonds is open to anyone who wishes to work in dramatics, and is earned by a point system based on participation on the plays and other activities in the group, both on the stage and backstage. Slogan of the group, on the basis of which every play has been produced is, "If it's a Vagabond show it's got to be good."

During the present year the Vagabonds have offered their services to the local U.S.O., Service Men's Club, and nearby camps where the entertainment has consisted of variety programs and plays. First production of the year, aside from the programs presented each month at the U.S.O., was the "Ghost Train." Following it in rapid succession after Christmas was the hit of the year, "Out of the Frying Pan," presented in the style of the intimate theatre, and a "Shubert Pageant," jointly presented by the Southern Singers and the Vagabonds.

Aside from dramatics, Vagabonds have listed among their activities an annual picnic or rib-roast, and back-stage parties after each performance at which new "Ham Actors" and new members are initiated.

Debate Council

In spite of the fact that it is always difficult to stimulate an active interest in something these days that is not directly connected with the war effort, the Debate Council has held its own this year. Any regularly enrolled student of the college is eligible and may present a five-minute discussion of a phase of the foreign policy of the United States as his application for membership.

This year the Debate Council not only has held to the number of activities which it has sponsored in years past, but has actually forged ahead. Early in October the Council went to work and sponsored the Victory Orations of 1942, early in November. As an outgrowth of these orations a Speakers' Bureau was formed. Fifteen students were listed in a pamphlet sent out to many Lakeland civic organizations. These speakers prepared either speeches or readings.

In the middle of February the debate squad went to John B. Stetson University to participate in the state-wide debate meet held annually. Six students participated in debating the national debate question. In addition to debating, two of the students participated in the extemporaneous speaking contest, and one in the after-dinner contest. The debate team also met teams from St. Petersburg Junior College here at Southern in March.

Intramural debates are planned for the first two weeks in April, and the group still entertains hopes of debating in the Grand Eastern Tournament.

Southern Singers

The Southern Singers presented their first formal program of the year at the Service Center in February. Shortly afterwards they presented a concert of sacred music at the College Heights church. Prior to this, the Southern Singers formed the nucleus of the chorus of the "Messiah," presented in the gymnasium before Christmas.

Hindered by the lack of transportation to make the extensive tours followed by the group in the past, the Southern Singers have concentrated on their own and surrounding communities this year. Other appearances have included a dedicatory program for the new theatre at Drane Field, concerts in the college bandshell held jointly with the band, music at the annual Russian evening, and nine appearances during Minister's Week.

Outstanding contribution of the group this year was the production of the "Life of Shubert," with the cooperation of the Vagabonds. The Southern Singers were the choral group in this pageant and many of the solos were taken by members of the chorus. Stars of this festival were Miss Muriel Robertson, of Philadelphia and New York, Grand Opera Star, and Walter Tenney of Chicago, son of the Director of the Southern Singers, Dr. George L. Tenney.

Home Economics Club

Founded to develop leadership, knowledge and professional standards in the field of Home Economics, the theme selected for the year's program was "Women in the War."

The meetings presented the most recent development in homemaking, food preparation, clothing and design and stressed the important part to be played in this war by women not only in the armed forces of the United States but also in the home and in the professional fields of Home Economics.

Social events of the year included an annual tea to welcome freshmen Home Economic students and encourage an interest in the organization, and a picnic held in the spring term.

Pan-Hellenic Council

With two representatives and the president from each sorority, Pan-Hellenic Council acts as clearing house for women's fraternal matters and regulates rushing throughout the year.

Pan-Hellenic opens Rush Week with a formal tea to introduce rushees to various groups and promotes a friendly feeling among the contending sororities.

This year, Pan-Hellenic Council and the Men's Executive Council worked together to provide a program of impartial rushing for both boys and girls.

Alpha Chi Omega

Beta Omicron chapter of Alpha Chi Omega was established on Southern's campus in 1936. Founded at DePauw University in 1885, Alpha Chi's aims are sevenfold—fostering altruistic works, group loyalty, providing social life and promoting scholarship.

Not only was Alpha Chi Omega the first organization on campus to establish systematical buying of War Stamps but also holds an annual Spring recital for the benefit of Allied War Relief—another part in our combined war effort. A Christmas date cozy, annual party and serenade at Christmas and Valentine Dance were included in the year's social activities. Sprinkled with Sunday Afternoon cozys.

Honoring Mrs. Thomas H. Adams, National Vice-President, Beta Omicron entertained with a banquet and social week-end of varied activities in February, introducing their visitor to the campus.

Active in the following campus organizations, Kappa Delta Pi, Alpha Psi Omega, Kappa Omicron Phi, Pi Gamma Mu, Southern Singers, Debate Council, Torchbearers, Interlachen, Southern, Vagabonds, Who's Who in American Universities and Colleges, Home Economics Club, Future Teachers of America, Band, Spanish Club, Intramural Board, Y.W.C.A., and W.S.G.A., Beta Omicron also received honor when Mary James McKinney was selected Sweetheart of Alpha Sigma and Gertrude Long won the Woman's Oratorical Contest.

Delta Zeta

Second national to come to Southern College, Delta Zeta Sorority was founded at Miami University, Oxford, Ohio, in the year 1902. Beta Mu chapter was established at Southern in 1937. The purpose of this organization is to promote and maintain an everlasting bond between the members and provide wholesome social functions. Scholarship is encouraged and the members are helped in their individual college relationships.

Active in sports, the Delta Zetas won the volleyball and Norwegian baseball tournaments and placed second in Scooter Hockey and Speedball. Delta Zetas were also active in other college activities as members belong to the following clubs: Home Economics Club, Intramural Board, Los Picaros de Cervantes, Paintadours, Sigma Tau Alpha, Vagabonds, W.S.G.A., Interlachen Staff, Southern Staff, Southern Singers, Y.W.C.A., Kappa Delta Pi, Kappa Omicron Phi, Debate Council, Band and the Speakers Bureau. Delta Zetas also sponsor a missionary school and are active in Red Cross work. The Delta Zetas tied for the second highest scholastic average among women's social groups at the end of the first term.

Social activities have included a party at Rush Week, an all-campus patriotic party for the purpose of buying a war bond, the annual barn-dance and a party given by the pledges for the members. A Rose banquet is also held each year on the Sorority's anniversary and banquets after each initiation. Slumber parties and picnics provide further recreation and comradeship.

Kappa Gamma Tau

First sorority on Southern's campus, Kappa Gamma Tau, was founded here in 1925. Founded to promote good fellowship among its members, loyalty to the school, a wholesome social life and to preserve the highest moral and idealistic standards, Kappa Gamma Tau was at first refused recognition by the administration. After a period of secret existence, it was recognized and has since been followed by the establishment of other sororities.

Starting the social year with their annual Founders Day celebration and a rush party, the Kappa Gams followed out the season with their unique Sadie Hawkins Day party, Christmas activities and a Valentine Dance. Other social activities included slumber parties, theatre parties and a bicycle party.

Members of Kappa Gamma Tau have an artistic inclination, and are represented in the following campus clubs: Southern, Interlachen, Paintadours, Spanish Club, Los Picaros, Vagabonds, Debate Council, Y.W.C.A., F.T.A., Kappa Delta Pi, Alpha Psi Omega, W.S.G.A., Intramural Board, and the Southern Singers. Active in Red Cross work, Kappa Gams have furnished help to Drane Field Hospital by making garments needed.

Zeta Zeta Zeta

Youngest sorority on Southern's campus, Zeta Zeta Zeta, was founded in 1939 by a group of working girls who were unable to join national sororities but felt that social activities were an important part in a well-balanced college career.

Social activities this year started with a Treasure Island rush party and have included slumber parties and informal buffet supper, with an impromptu program held at the University club for the members and their dates, a Founder's Day celebration held in the sorority room, initiation in February, and a party held in honor of the new members, and a supper to celebrate the return of the members who had been out interne teaching.

While not outstanding in the sports field this year, Zeta Zeta Zeta has given keen competition to the teams in intramural sports. Members of this sorority, besides holding many working scholarships on the campus, are represented in the following clubs: W.S.G.A., Senate, Alpha Psi Omega, Kappa Delta Pi, Kappa Omicron Phi, Torchbearers, Southern Staff, Interlachen Staff, Muse, Y.W.C.A., Southern Singers, Vagabonds, F.T.A., Home Economics Club, Community Students, Band, and Who's Who.

Independent Women

Independent Women, a social group formed for the purpose of providing an opportunity for girls not interested in sorority to enter in the same activities as sororities, was first organized in 1938. Promoting scholarship, providing social recreation, and fostering an attitude of good sportsmanship in athletics, Independent Women aids its members to enter the various phases of campus life.

Outstanding in sports, the Independents won the Speedball, Scooter Hockey and Basketball championships to date. Independents versatility is exemplified by Southern Singers, Orchestra, Torchbearers, Phi Society, Paintadours, Spanish Club, Los Picaros de Cervantes, Vagabonds, Y.W.C.A., Debate Council, Intramural Board, W.S.G.A., Senate, Speakers Bureau, Band, Interlachen Staff, Kappa Delta Pi, Kappa Omicron Phi and Alpha Psi Omega. Close of first term found Independents with the highest scholastic average among the women's social groups.

Social affairs sponsored by the Independents include their annual picnic held after Rush Week to welcome the new members, a war workers party, and outdoor meetings and picnics held throughout the year.

A faculty function brings calls for Independent girls to keep the children which is their main source of income.

Alpha Sigma

Though Alpha Sigma lost a considerable part of its membership to the armed forces this organization has enjoyed an active year.

A dance held at the University Club during the first week of school and a rush party the following week, initiated the fraternity's activities. The traditional Christmas breakfast for members and their dates was held shortly before school was dismissed for the holidays. After the Christmas vacation, the group presented the Alpha Sigma Sweetheart party. Candidates from each of the College and Lakeland High School sororities competed for the crown of Alpha Sigma Sweetheart.

In athletics the Alpha Sigs received the coveted trophy for winning the intramural football program. Full participation in all intramural sports has been carried through and members of the fraternity gained positions on the Varsity Basketball team. The Alpha Sigs were active in other campus organizations, as their members participated in the following clubs: Southern Singers, Vagabonds, Alpha Psi Omega, Interlachen, Kappa Delta Pi, Pierian Club and the Muse, F.T.A., Gamma Sigma Chi, and the Band.

Chi Rho

Founded to provide social recreation and to establish brotherhood among its members, Chi Rho, although affected by Uncle Sam's calls on its members, had a highly successful year.

The social year opened with a Victory Hike to Crystal Lake, bowling and a smoker for rushees. Serenades, which were voted the best by the dormitory girls, a joint party held in the first term with the Kappa Thetas and a nautical party given in February hit the highlights of the social whirl.

Represented in many campus organizations, the Chi Rhos were outstanding in the following: Southern Singers, Debate Council, Alpha Psi Omega, Gamma Sigma Chi, Speakers Bureau, Vagabonds, Pi Gamma Mu, Double Quartet, Varsity Basketball, Who's Who in American Colleges and Universities, Southern and Interlachen staff.

Interested in sports the Chi Rhos won the Volleyball championship and presented two teams for basketball competition. Raymond Esthus of Chi Rho also won the Freshman Victory Oratorical Contest, sponsored by the Debate Council.

Kappa Theta Psi

Kappa Theta Psi was organized in May, 1941, at Southern. Its purpose was, and is, to serve as a social organization for working boys.

Represented in the campus organization, in scholastic fields and on the sports teams, Kappa Theta has had a successful year in spite of the fact that ten members and four pledges are serving in the armed services of Uncle Sam.

Placing second among the fraternities for scholarship honors at the end of the first term, the Kappa Thetas were also represented in the following campus organizations: Debate Council, Sigma Tau Alpha, Speaker's Bureau, Kappa Delta Pi, Gamma Sigma Chi and other clubs. Best represented in the Victory Oratorical Contest, it was won by Lloyd Hendry, present president of the Debate Council. Linly Curry, another Kappa Theta, has won several prizes in advertising contests.

On the athletic field Kappa Theta won the soccer cup and placed second in football and volleyball. At the present time they are leading in the basketball race. Gordon Edwards won the three-mile race in the first term.

Social activities include a football game and supper party for their rushees, serenades, a dance sponsored jointly by Kappa Theta-Chi Rho and a Carnival given in February at the University Club.

Lambda Chi Alpha

Founded in 1909 at Boston University, Lambda Chi Alpha succeeded the Theta Kappa Psi fraternity founded in 1926 here on Southern's campus, in 1938. Striving to build scholarship, friendliness and develop the possibilities of its members, Lambda Chi has seen many members and pledges leave this year for the armed services.

The social year was opened by an all-college party at "Camp Lambda." The annual rushing party was held at the Lakeland Yacht Club, and a radio program, "Fraternity Rushing at Southern," was given at the party. In cooperation with the Alpha Chis the Lambda Chis sponsored a Halloween party for the campus. Other social activities have included serenades, a special Christmas serenade at which the Christmas story was read by the group using the choral reading technique, smokers, and an open house given by the pledges to culminate pledge-ship training.

Active in the following campus activities the Lambda Chis also bought a Defense Bond and have instituted the systematic buying of stamps by their members. Campus Clubs: Vagabonds, Alpha Psi Omega, Tau Kappa Alpha, Pi Gamma Mu, Varsity Basketball, Sigma Tau Alpha, Blue Key, F.T.A., Southern Singers, Who's Who in American Colleges and Universities, Southern Staff, Interlachen, Spanish Club, Band, Senate.

Athletics

In cooperation with the Reserves of the Army, Navy and Marines, Florida Southern has prepared a program of athletics which reach every man and woman in the student body. Intramural sports produce keen competition and varsity squads excite perfection of skills which lead to physical fitness, another item of civilian defense.

PHYSICAL FITNESS DIV.

Volleyball

With the addition of new students to the different teams adding confusion to the courts, the volleyball tournament, first sport of the year, started off with a bang. The Delta Zeta and Tri Zeta teams immediately took the lead. In the fastest game of the first round, the Zetas, led by Estelle Webb with her peculiar slice ball, defeated the DZ's 41 to 28.

In the second round the Delta Zetas rolled up the largest score of the season with a 68 to 18 victory over the Kappa Gams. The Zeta Zeta Zeta octet humbled themselves before an up and coming Alpha Chi team, making the forthcoming DZ-ZZZZ game the decisive game of the tournament.

In this championship tilt the DZ's lucked it out over the Zetas in a 35 to 33 win to take the first sport crown of the year.

Norwegian Baseball

Norwegian baseball, craziest and noisiest of all games played at F.S.C., drew a lot of enthusiasm from all five women's teams.

The Independents and Delta Zetas, showing superior team co-operation, took over the top positions in the tournament. The Independents chalked up a 29 to 2 win over the ACO's for the highest score of any game; while the DZ's worked out a system of holding four or five players at the batting end of the court until all could score at once, baffling their opponents.

The Independent-Delta Zeta game proved to be the decisive tilt of the tournament. With Judy Bryant's skillful dodging, leading a well-balanced team, the DZ's overcame the Independents 15 to 9, and tucked the second championship of the year into their bag.

Speedball

Speedball, first major sport of the year, gave the Independents' fast and skillful sextet their first championship.

The most interesting note of the tournament was the manner in which the Delta Zeta team overcame a first of the season slump, during which they tied a game with the Tri Zetas, to take second place.

Speedball gave players on all five teams a chance to show real skill. Estelle Webb, from the Zetas, was fast as lightning, while the Zeta goalie, Eunice Walker, rarely missed. Judy Bryant led the DZ's and was backed up by Flo Wallace, a plucky guard. Ora Belle Wilkes paced the Independents as center, with Polly McDonald and Winkie Crawford tossing sure-fire passes that netted the Independents many goals.

The last game of the tournament happened to be between the two top teams, and the Independents kept their win slate clean with a close victory of 6 to 4 over the fighting DZ team.

Scooter-hockey

Scooter-hockey proved to be no picnic for any team as all five women's groups put forth skillful sextets.

However, the Independents again, through good team cooperation, netted another championship. The Tri Zetas and Delta Zetas gave other and the Independents some stiff competition, and came through with a tie for second place.

The player most outstanding as far as furnishing interest for the spectators was undoubtedly Garnet Field, of the Tri Zetas, who spent most of her games sitting on the floor.

Basketball

Basketball, sport of sports, proved to be a walk-over for a smooth working Independent team.

Since no other team could even approach the Independents in their position as leader of the tournament, the race in basketball was for second place. During the first round the Delta Zetas emerged from a first of the season slump, having suffered a defeat at the hands of the Tri Zetas, to take second place with ease. Then, in the second round, a vastly improved Alpha Chi sextet jolted the DZ's with a decisive 11 to 7 win. The tournament ended with the Independents capturing their third crown with a clean slate of eight wins, no ties, and no losses; and the Alpha Chi Omega's taking their first second place.

Ping-Pong and Shuffleboard

The ping-pong and shuffleboard tournaments rolled around with much interest being evidenced by all teams. Although minor sports, they afforded an opportunity for added points for the sport cup.

Competition in the ping-pong tournament centered around the DZ's and ACO's, the teams possessing the best players. Judy Bryant, Reddie Johnson, and Flo Wallace on the former team, and Margaret Shepard and Fran Dibble on the latter. However, the Delta Zetas took the championship without a single loss.

The shuffleboard tournament produced the upset of the year. The Kappa Gamma Tau team, in the cellar position in all other sports, were tied with the DZ's for first place at the time this book went to press.

Football

Southern's seven-man football season developed into a hot battle between the Alpha Sigs and the Kappa Thetas. The Kaps were out to win the coveted trophy for the second successive year, while the Sigs were determined to retake the cup which they previously held. In the season's opener, the Chi Rho Lions startled the campus by humbling the Sigs 19-0. The Lions then proceeded to lose all their remaining games except a victory over the Lambda Chis, while the Alpha Sigs went on to win the championship.

Four teams were entered in the race and they ended up in the following order—Alpha Sigs, Kappa Theta, Lambda Chis, Chi Rhos. The Sigs relied on a fast passing attack with Joe Brooks and Arthur Tarkington teaming up to lead their team forward. Kappa Thetas had a big, heavy team with a smooth running attack, but a weak defense. The Lambs had two former stars, Christy and Whitney, while the freshman, Bud Jordan, displayed some of the finest punting of the year. The Chi Rho aggregation had a veteran lineup but lacked a powerful passing attack. They revealed one of the season's best blocking backs in Roger Lorraine and a sensational defensive end in Arthur Kelly.

The "Southern" sports staff, after careful consideration, picked these seven men as their choice for an All-Fraternity team.

<i>Position</i>	<i>Player</i>	<i>Team</i>
L.E.	WILLIFORD	Kappa Theta
R.E.	TARKINGTON	Alpha Sigma
C.	BLACKBURN	Lambda Chi
Q.	ROUSSET	Chi Rho
R.H.B.	RUSSELL	Chi Rho
L.H.B.	CHRISTY	Lambda Chi
F.B.	BROOKS	Alpha Sigma

Volleyball

CHI RHO • KAPPA THETA PSI
LAMBDA CHI ALPHA • ALPHA SIGMA

The first minor sport in the inter-fraternity league was volleyball and again four teams were entered with the Chi Rho Lions taking the trophy. The Lions lost only one game, that to the Kaps, and had little difficulty in taking the championship. Runner-up was the Kappa Theta team. But Campbell and Em. Whiteacre were the Lion's satellites. Both boys are over six feet and their spiking was the offensive spark the Lions counted on. The Lambda Chis chief victory was in their final contest when they downed the Kappa Thetas. The Sigs had an inexperienced six that put up plenty of fight but never won a game.

Our choice for an All-Intramural Volleyball Team would be:

<i>Position</i>	<i>Player</i>	<i>Team</i>
R. Net	CHRISTY	Lambda Chi
L. Net	WHITEACRE	Chi Rho
L. Net	CAMPBELL	Chi Rho
Center	CHAPMAN	Alpha Sigma
R. Back	TOMKINS	Kappa Theta
L. Back	HOWARD	Kappa Theta

Varsity

While war-time conditions tended to make an effective athletic program a difficult goal to attain, they also aided Southern's sports calendar by providing the varsity basketball team, the Moccassins, with some high caliber opposition. Southern found in the surrounding air bases formidable opponents, but lost only one contest to army competition.

Without a regular coach, Bill Howard took over the major responsibility of giving the college a creditable quintet, and with the guidance of Dr. Modesitt, head of the Athletic Department, they placed a five on the hardwood that Southern is proud to speak of. With four veterans from last year's team, and some brilliant new-comers, the Mocs emerged with seven victories in ten games.

Outstanding in every game was the work of Paniello and Edwards. They did most of Southern's scoring and added spark and color to the team. Paniello is undoubtedly one of the fastest and trickiest players F.S.C. has had in many years. Tarkington and Howard are responsible to a great extent for the low scores that opposing teams scored. Both of these players are smooth and steady. Their work in the guard positions was the highlight of the team's defense. Jim Christy, playing his third year with the Mocs, was the man who kept the team going when the going got tough and his spirit and fight, plus his outstanding playing, made him the team's most valuable player.

Basketball

The only intercollegiate foe of the Mocs was the University of Tampa, who twice bowed before the Southern attack. Transportation difficulties made other contests with college fives impossible.

Following is a resume of the season:

	<i>Opponent</i>	<i>F.S.C.</i>
Drane Field Base Team	28	37
University of Tampa	34	37
Lakeland	28	33
Drew Field	27	41
Food Machinery	28	29
Drane Field Officers	23	45
Lodwick Air Base	18	36
University of Tampa	25	35
Food Machinery	38	30
Drane Field	33	30

Basketball

Immediately after the Christmas holidays Gilbert Gymnasium became the scene of great activity on the basketball court as this sport got underway. Five teams entered the race, Chi Rho placing two aggregations on the floor, the Lions and Wolves. From the very start it appeared that the struggle would center between the Kappa Thetas and Lambda Chis. In the first encounter of these two teams, the Kappa Thetas won, but the game was protested and ordered to be played over again. This time the Kappa Thetas really cut loose and trounced the Nats thoroughly. Meanwhile, the Chi Rho Lions bowed to the Lambda Chis and Kappa Thetas, but won over the Sigs and Wolves. The second round began with the Kaps in first place, Lambs in second, Chi Rho Lions, Sigs, and Wolves following. In this round two teams upset the league's equilibrium, the Lions and Alpha Sigs. The Lions trounced the Lambs easily, walked over the Wolves and Sigs, but their victory march was halted by the Kappa Thetas. The Sigs, who had won only one game up to their encounter with Lambda Chis, suddenly awoke and crushed the Nationals, tumbling them into a tie for second place. The final game of the season was between the Lambs and the Kaps and once more the unexpected occurred. The Lambs really found themselves and handed the Kappa Thetas their first defeat of the season.

The season's most exciting game was between the Lions and the Kappa Thetas in their first meeting. At the end of the regular playing time the score was tied and an overtime period was necessary for the Kappa Thetas to defeat the Johnson Street boys.

Varsity players were allowed to play Inter-fraternity ball for the first time and added greatly to the type of ball played.

Our nominations for All-star team would be:

<i>Position</i>	<i>Player</i>	<i>Team</i>
R. F.	PANIELLO	Kappa Theta
L. F.	RUSSELL	Chi Rho
C.	EDWARDS	Kappa Theta
R. G.	CAMPBELL	Chi Rho
L. G.	CHRISTY	Lambda Chi

Soccer

For the first time in the history of Intramurals at Southern, the old English game of soccer was played and with very successful results. At the close of the regular season three teams were tied for first place, the Kappa Theta, Lambda Chis and Chi Rhos. In the playoff schedule drawn up, the Chi Rhos met the Lambda Chis and went down to defeat, while the Kappa Thetas drew a tie. In the championship tilt between the Kappa Thetas and Lambda Chis the Kappa Thetas put on their best exhibition of the year and walked off the field victorious with the second cup of 1943. Despite the fact that most of the boys had never played soccer, some outstanding players developed and interest shown in the game assures it of a continued place in the sports calendar. Unfortunately, no all-state team was selected by the Southern Sports Writers, but recognition should be given to Charles Hogeboom of Chi Rho, Bill Howard of Kappa Theta, Bill Chapman of Alpha Sigma, Jim Christy of Lambda Chi, Mendel Luce of Chi Rho. These boys were the nucleus of their respective teams and did much to make the sport as popular as it was.

RESCUE PARTY

YOU ARE THE HOPE OF ~~TOMORROW~~ *Today*

FOR YEARS graduating classes have been told that they were tomorrow's leaders — that the future of the world was to be in their hands.

Today's graduates do not have to wait for tomorrow — they are part of today's history of the events which will determine the course of history for a century.

Upon this younger generation rests the responsibility of fighting a war and building a peace. Your school years have taught you the underlying principles of the American Way of Life — of the spirit of democracy — you have learned to cherish the ideals of freedom of speech, of press, of assembly, of enterprise.

Let the world you build be constructed on that foundation and you will need have no fears for the future.
